Programme for the Day

The month of May was a time for celebration. Come and join us for some traditional family fun and hear the sounds of Spring past. We have a whole day of activities with, we hope, something to appeal to everyone. Lots going on for all the family... free live music and dance... meet members of your community...welcome in the lighter nights and warmer weather as Summer approaches.

TOWN HALL - Large Hall

10-10.40am 'A Lincolnshire Spring'

Folk 'Round 'Ere (a group promoting folk song, music and dance in North Lincolnshire) open the day with a specially written programme of traditional tales, songs and tunes from North Lincolnshire and beyond.

10.50 am - 12.30pm 'The Lives of Tudor Musicians in a Rural Court'

de Mowbray's Musicke will offer a series of 'encounters' and will play a wide range of instruments of the Tudor period as well as singing and teaching dances of the time. They will be on hand to answer any questions on what it was like to be a musician in a rural court in the Tudor period. de Mowbray's Musicke are Lincolnshire's premier costumed Tudor band.

2-4pm - 'This Merry Pleasant Spring'

A concert by **Passamezzo** (an internationally renowned, costumed group specialising in 16th & 17th century song and dance tunes). The performance consists of ballads, lutesongs, consort music, madrigals, dance melodies and readings, and follows the season from the melting of the ice at the beginning of Spring, through maying, maypoles, hobby horses and feasting, to the sheepshearing and Whitsun holidays that mark the coming of Summer. It includes music by Bannister, Campion, Dowland, East, Morley, Peerson, Weelkes and Wilson, and readings from Spenser, Stubbes, Herrick and Breton.

TOWN HALL - Small Hall & Heritage Room

10.30am-1pm

The Restoration Café will be open selling hot drinks and light refreshments. Come and try Pottage, Curd Cake and Very Fine Biskitts! Whilst there, listen to the Medieval and Renaissance sounds of **Earth Folk** (a Lincolnshire-based duo) on traditional instruments.

To get really into the mood you can have your **face painted** on a Spring theme by members of **Kirton Call**, our local amateur dramatic group.

THE MARKET PLACE & around*

11am-1pm

Three Morris sides will entertain with different styles of traditional dances: **Tatterfoals** from Scunthorpe; **Poacher Morris** from Lincoln and **Grimsby Morris**.

The Pump will be dressed in floral array by the **WI** and blessed by the **St. Andrew's United Church**. The provision of fresh water was vital in times past and ceremonies like this were commonplace in rural areas.

** These activities are weather dependent.*

IN THE TAVERNS

12 - 2pm

The George Hotel & The Queen's Head will be open for food and will host **informal musicians' & singaround sessions**. Come and listen or bring your instrument or songs and join in.
